

## Vocabulary List and Activity Ideas for *Holly's Story*

Listed on the following pages are select vocabulary words from each chapter of *Holly's Story* to assist students in their comprehension of the material. Teachers may instruct students to give definitions for all of the words on the list, or choose the amount of words appropriate according to grade level and/or time constraints.

### Suggested activities:

#### 1 List all possible definitions for each word

- a. If there is more than one definition for a word, have the students select the definition used in the book.

#### 2 Analyze compound words

- a. Have students define the compound word.
- b. Have the students separate the compound word into multiple words and define each of those words.

#### 3 Recognizing root words where a prefix/suffix has been added

- a. Instruct students to pick out the root word.
- b. Have students define the root word.
- c. Ask students to explain how the prefix and/or suffix change the meaning of the word.

#### 4 Identifying parts of speech – Have students identify which part of speech the word is.

- a. Noun
- b. Pronoun
- c. Verb
- d. Adjective
- e. Adverb
- f. Preposition
- g. Conjunction
- h. Interjection
